ABOUT ORGANIZER

**TEXTILE
INNOVATION
EXCHANGE**

Textile Innovation Exchange (TIE) is a dynamic platform that connects the textile and apparel ecosystem to showcase, implement, and celebrate innovation. Through TIEx, innovators, solution providers, and industry leaders come together to present impactful ideas, foster partnerships, and strengthen Bangladesh's position as an innovation-driven textile hub.

The Grand Launching Ceremony of Textile Innovation Exchange was officially inaugurated by **Honourable Minister Khandakar Abdul Muktadir, MP, Minister of Industries, Textiles and Jute, and Commerce** of the Government of Bangladesh at Le Méridien Dhaka.

TIE - ITET TEXTILE INNOVATION EXPO 2026

NOVEMBER 12-14, 2026

International Convention City Bashundhara (ICCB), Dhaka

TEXTILE INNOVATION EXPO 2026 is the flagship event of TIE, formed under the TIE Steering Board to position innovation as the pathway to operational survival and next-stage growth across Bangladesh's textile and RMG sector.

CONCURRENT SPECIALIZED EXPOS

FACTORY INNOVATION PAVILION

The Factory Innovation Pavilion brings together leading garment and textile manufacturers under one roof to showcase their latest advancements in production, processes, R&D, product development, and management practices.

**An Interactive
Meeting Experience**

**Innovation
Demonstration**

FACTORY – LEVEL INNOVATION RECOGNITION

Partnership for
Implementation of
**INNOVATION
CIRCLES**

Partnership for Implementation of Innovation Circles celebrates practical, evidence-based innovations implemented inside factories, highlighting real results and measurable impact.

What Will Be Recognized

- > Best Innovation Circle (IC)
- > Best Innovation Circle Members
- > Best Innovation Circle Leader
- > Best Experts Recognition

More Than Recognition - A Benchmark for the Industry

This recognition sets a new standard for factory-level innovation, identifying what truly works, who drives change, and which factories are leading the future.

ABOUT COLLABORATION

IN COLLABORATION WITH ITET

TEXTILE
INNOVATION
EXCHANGE

TIE and ITET collaborate to organize
Textile Innovation Expo 2026, scheduled for
November 12–14, 2026 at the International
Convention City Bashundhara (ICCB), Dhaka

Engr. Md. Enayet Hossain
President, ITET

This type of innovation focused expo is a new initiative for Bangladesh's Textile & Apparel industry. Industry stakeholders should come forward, participate, and explore this platform as an opportunity to showcase their innovations, technologies, products, and solutions.

Engr. Ehsanul Karim Kaiser
Chairman, TIE

Innovation requires a positive mindset and the right ecosystem. I hope the collaboration of TIE–ITET will help develop this mindset among professionals and bring TIE's four-wing innovation ecosystem into practice across the textile and apparel industry.
